### **Teacher Introduction Speech**

Dear Parents, I would like to take this opportunity to introduce myself as the new Year Leader for Year 11. As a new member of staff at Nord Anglia International School Shanghai, Pudong, I am very excited to be given the opportunity to work with such a key year group, about whom I have heard great things. I look forward to getting to know the year group over the coming weeks and to helping your son or daughter to achieve even greater things as the IGCSE exams approach.

To give you some brief information about myself, I have worked in London schools for 11 years and have undertaken roles including Head of English and Senior Academic Mentor for years 12 and 13. Having worked on both the academic and pastoral sides of education, I am looking forward to combining these as Year Leader for Year 11. The year ahead will be probably the most important of your son or daughter's academic career so far, and I see my role as supporting them at this crucial time to achieve of their very best, in close collaboration with their form tutors, with the teaching staff and with you as parents.
